Kris Jenner gets food delivered to her door

By Sophie Eager Aug 3, 2011, 20:40 GMT

Kardashian family matriarch Kris Jenner has revealed that she has her meals delivered to her door because of her “busy” schedule.

The 55-year-old reality star not only acts as manager to her famous daughters Kim, Kourtney and Khloe, but also appears in her family's E! TV shows such as Keeping Up With The Kardashians.

She recently tweeted: 'LOVE picking up my ZEN Foods meals from the front door every morning! Not worrying about my meals helps me through these BUSY days!'

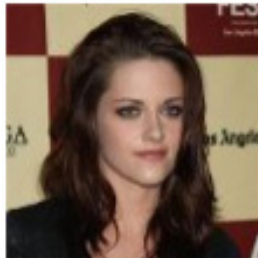

The US food delivery service is also popular with High School Musical star Vanessa Hudgens, who reportedly receives calorie-controlled meals from the company.
